KIDO, Koichi - 14 February 1946

Page 337

- Q Would you say that HANAYA and KAGESKA were leaders in the aggressive action that took place as a result of the China Incident in 1937?
- A Yes, I believe they were central figures.
- Q And ITAGAKI likewise was in the China Incident?
- A Yes.
- Q Were there others that come into your mind at the moment that were outstanding leaders in the China Incident and the activities that followed in North China.
- A I don't remember any others at the present time.
